Guest Pastor: Mark Johnson

- ❖ **Some of us our journeying through life's roundabouts**
 - Some of us have taken the wrong exit
- ❖ **Its time to choose the right exit**
 - There's a blessing in following directions
- ❖ **It's okay to turn around**
 - The issue is what do you do when you turn around
 - Reassess after you turn around
 - Maximize your redirect
 - The struggle is not bad for you, nor is the failure
 - The butterfly has to struggle out to be able to fly
- ❖ **After you turn around you have to tune-in to what God has to say**
 - God told them to go straight but they went through the mountains and that turned a four day trip into a nearly 40 year trip because they followed their own will (Deuteronomy 3:1-3)
 - Everybody is talking but there's only 1 voice you should be listening to
 - He may take you through extraordinary things to teach you extraordinary lessons
