## The Rehab of Rahab

Joshua 2: 1-4, 15-21

- ❖ **God is the only one that can rehabilitate a life and make it better**
- ❖ **Some of us need to go into spiritual rehab**
- ❖ **When you go through a spiritual rehab you should come out with a resolute faith**
  - You have to know Jesus with your heart not just your mind
  - If you want God to move in your situation you have to believe in him even when those around you don't
  - "I want a Rahab kind of faith that says *I know God will* instead of *I think God will*
  - My God is bigger than any problems
  - My faith allows me to see what others can't see
- ❖ **When you go through a spiritual rehab you should come out ready to rescue your family**
  - Some of us are saved and don't care about their salvation
  - Tell them what Jesus has done for you
  - We should never be content with our family being unsaved
  - IF we've been successfully rehabbed by the Lord we should rescue our family
- ❖ **When you go through a spiritual rehab you should come out regarding God's instructions**
  - The instructions are easy but to be saved they must be followed
  - After you're saved you have to follow the instructions of God, not to be saved but because you are saved
  - Don't allow the Word to expire in your heart
  - Renew your spiritual subscription
  - If you're going to have victory over your flesh or the enemy you need to renew your subscription to God
  - The reason some of us keep relapsing is because of the people we allow into our life
    - Don't make God shoot you down because you keep bad company
- ❖ **When you go through a spiritual rehab you should come out expecting to have God's favor**
  - Joshua 6:24 - He saved Rahab not because she was good but because of her faith
  - Of all the people he chose Rahab, and he chose us too
