From Dysfunction to Destiny

2 Chronicles 22: 10-12

Happy Mother's Day

- ❖ Children are gifts from God, not a liability
- ❖ We have a responsibility to move our children from dysfunction to destiny
- ❖ God is looking for Godly mothers
- ❖ Is your ambition hurting your children?
 - While you're enjoying your life don't leave your child behind
- ❖ **Protect them from danger**
 - Recognize the danger
 - The enemy wants your children to be more like the Devil and less like God
 - Enstill Godly values at a young age, the devil doesn't wait until your child is old enough
 - Guard their mind
 - Too many children are left to fend for themselves
 - You are the defense between the enemy and your child
 - God is looking for mothers who say "Not on my watch"
- ❖ **Provide them with intimacy**
 - If they don't find love from you they will find it somewhere else
 - Hug & kiss your child
 - Listen to them
 - Pass on to them what is in you
- ❖ If you are not on good terms with your mother, ask God to help you forgive your mother, "they know not what they do" Luke 23:34
- ❖ Provide them for greatness
 - Instead of exposing them to a player, introduce them to a priest
 - Bring them to the right place - bring them to the church house so they don't end up in the jailhouse
 - God can exalt your child with no qualifications
